**7.2.1 : Best Practices**

1. All teaching and nonteaching faculty members along with the students assemble in the college campus for prayer every working day. Thereafter students will give speech on daily news and thought for the day. In the special occasion like Jayanths (Birth anniversary of the prominent person) teachers will participate in motivational talk and students are also motivated to talk.
2. Another best practice relates to social service, particularly encouraging the blood donation. Through the NSS every year is identified the students blood group.
